

Directions and Instructions for Visitation or Selection Day!

Please do not visits ANY other puppies, pet stores, humane society, etc... 72 hours prior to Saturday. Parvo can be innocently transmitted on clothing and shoes and will kill an entire litter this age.

Address is 3711 Jayco RD. 89048, please feel free to GPS it; however, it has led some astray, so here are written directions as well:

1. Take the 160 out of Vegas (you begin on Blue Diamond which turns into the 160).
2. When you see the "Welcome to Pahrump" sign you are starting to get close to your turn. Take a left on GAMEBIRD. If you reach the first stoplight in Pahrump, you have gone too far.
3. You will travel on Gamebird for about 10 miles. You will have only 1 stop - a 4 way. Take a right on JAYCO. You will see a line of pine trees about a block up. Take a right at Harp Way and the sign seen below:

5. Park by the gate that is by the nursery building and marked “4E Kennels Entrance”. Please enter here.

- **When you enter a black mat filled with bleach and water will be right inside. Please stand in this bleach water for 5 seconds (so don't wear flip flops or shoes you value).**
- **As you start walking up the path you will come across another black mat. It is soaked with hospital grade disinfectant. Please stand in that for 5 seconds.**
- **When you reach the door there will be a towel in which you can choose to remove your shoes or slip on booties (to the left of the door). Small children will likely have to remove shoes.**
- **When you enter the nursery, you will be asked to move to the left to the kitchen sink for hand sanitizing.**

Thank you so much in ensuring our facility is kept safe from the parvovirus and other harmful germs.
